# FHFA Announces 2016 Loan Limit Changes

In short, the general loan limits remain **unchanged** from 2015's levels, but several high-cost county limits have been **increased**. As a reminder, Fannie Mae has a useful Loan Limit Look-Up Table which has been revised with 2016's new amounts. Clicking **this link** will prompt a download of the excel spreadsheet, which includes every county's loan limits and numerical codes. Or you can access Fannie's loan limit page **HERE**. The FHFA provided a useful PDF that **exclusively highlights the counties that changed HERE**. Alternatively, here is the entire list (click to enlarge):
